

Youm-e- Azmat-e-Asateza Geology

You have been more than a teacher to us
You have been a builder of dreams
You set educational passion in us free
You instilled in us what learning means
You taught beyond the golden rule
You inspired young minds to learn
You ignited a hunger in our soul
You challenged us to learn
You set no limits to what we could be
You deserve more than a Thank You
You are more than a teacher to us
You molded us as persons too
